Dear Parent/Carer

Test and Protect

We received information today that a pupil had tested positive for Covid-19. The Test and Protect team has identified a very small group of pupils as being close contacts and they are being advised accordingly.

Parents of those pupils who are required to self isolate have been contacted. Only pupils who have been contacted are required to self isolate.

Please be assured that Saint Matthew's Academy will continue to follow the advice of Public Health Scotland.

Yours sincerely

S Colligan
